I am a retired Airline Pilot and extremely passionate about the Arts. I am married and reside in Palm Beach County with my husband. Together we are benefactors for the Society for the Preservation of the Great American Songbook and serve as Chairmen of the entertainments committee for the Key Largo Anglers Club. In this capacity I have planned several events and concerts including a three day extravaganza for the inauguration of the incoming Commodore.

I enjoy volunteering for fund raising events and supporting live music in our local area. My hobbies and interests are music, theatre, painting, gardening and fostering kittens.

I would be honored to serve as a board member for The Delray Beach Playhouse and believe that my creativity and organizational skills would be an asset.
